“Without Excuse”

Romans 1:20

- Was Darwin the source of pro-slavery, racism policies, and women-as-inferior attitudes?
- Is evolution a fairy tale or fact? An anti-God message?
- How did 2+2 “evolve” to = 4? Why not 3.89731?
- Where do the scientific “laws” come from?
- “What is Truth?”
- Are we smarter than Jesus?
- Is there any hope for the future?
- Where do designs require designers?
